What are your most popular products or services?

Wedding and "post wedding" packages. On-site portrait sessions of expecting mothers, infants, children, and families. We offer a wide selection of albums and coffee table books. Also, custom cards and announcements designed with each client's unique style in mind.

People may be surprised to know...

That I started getting into photography when I was about 12. I shot with my dad's old 1950s film camera and developed each print by hand in the dark room.

What business mistake have you made that you will not repeat?

It's important to keep balance in your life. When you have a super fun job, it doesn't feel like work. Before you know it, you haven't seen your husband (let alone your friends) in days/weeks.
